## Operational Guidelines for Section 504

**1. Child Find.** As part of the on-going identification and referral process, the District will make reasonable efforts to identify and locate every qualified disabled student residing within the District who is not receiving a public education. The District shall inform the parents or guardians of these potentially eligible students (who may be attending private or homeschools) of the District's duties under §504. As part of the Child Find effort the District shall annually publish the Child Find Notice in local newspapers, student handbooks, and/or place the Notice in locations likely to be seen by parents of eligible students (such as supermarkets, pediatrician's offices, etc.). Additionally, every teacher within the District should have information regarding the District's overall early intervention process, understand how to initiate a §504 Referral and know how to identify students who should be referred.

**2. Referral.** When a §504 referral has been initiated, the Section 504 Referral Form [hereinafter, "Referral Form"] should be quickly forwarded to the Campus or District §504 Coordinator [hereinafter "Coordinator"]. The Referral Form is designed to be filled in by the person initiating the referral, but may be supplemented as necessary by the Coordinator, utilizing information from the student's cumulative folder or other sources. From that basic information, the Coordinator will determine whether a §504 Evaluation is necessary. If no §504 Evaluation is required, the Coordinator shall forward the Parent Rights form to the parents, with a note explaining why the Referral did not lead to a §504 Evaluation at this time.

**3. Consent for Evaluation.** If a §504 Evaluation is necessary, the Coordinator should send to the parent Notice of Parent Rights under §504 [hereinafter, "Parent Rights"], together with a Notice and Consent for Initial Evaluation under §504 Form [hereinafter, "Notice and Consent"], and a Parent Input for Section 504 Evaluation Form [hereinafter, "Parent Input"]. If no parental consent is received for §504 Evaluation, the Coordinator should remind the parent every semester (or at other intervals as determined by the District) of the District's continued desire to conduct an Evaluation under §504.

**4. Evaluation.** When the consent is received from the parent, the Coordinator should:

- a. Gather evaluation data and coordinate/direct the completion of the various Input Documents. The evaluation data consists of information from a variety of sources, including efforts and results of early intervention activities, aptitude and achievement testing, teacher recommendations, student's historical and current physical and mental condition (including data on conditions in remission and episodic conditions), social or cultural background, adaptive behavior, and mitigating measures; the Teacher Input form to be completed by one or more teachers, and the Parent Input form with information about the student's activities/behaviors at home, and any other data the parent would like the Committee. Should current special education data exist (an evaluation upon which a student was either dismissed from special education or upon which a finding of no IDEA eligibility was made), that data should also be considered.
- b. Ensure that should formalized testing be considered by the §504 Committee as evaluation data, the tests:
  - 1) Have been validated for the specific purpose for which they are used and are administered by trained personnel in accordance with the instructions provided by the tests' creators;
  - 2) Include those tailored to assess specific areas of educational need and are not merely designed to provide a single intelligence quotient;
  - 3) Are selected and administered to ensure that when a test is administered to a student with impaired sensory, manual, or speaking skills, the tests results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).
- c. Determine who will be in the group of knowledgeable people [hereinafter, the "§504 Committee" or "Committee"] (including persons with knowledge of the child, the meaning of the evaluation data and the placement options).

d. Schedule a §504 Evaluation by the Committee.

e. Give the parents notice of the time and place of the evaluation meeting, inviting the parent to attend if that is the District's policy. Written notice, while not required, is preferred, and can be accomplished utilizing the Notice of Section 504 Meeting form.

At the §504 Evaluation, the Committee should:

a. Draw upon information from a variety of sources, including, but not limited to, efforts and results of early intervention activities, aptitude and achievement testing, teacher recommendations, physical condition, social or cultural background, adaptive behavior and the Parent and Teacher/Administrator input forms;

b. Ensure that all information reviewed in the evaluation is documented and carefully considered, and that Section 504 decisions are made consistently with the Americans with Disabilities Act Amendments Act of 2008, including appropriate consideration of mitigating measure (as provided in paragraph 15 of these Operational Guidelines), recognition of changes made to major life activities, the appropriate consideration of impairments that are episodic or in remission, and Congressional declarations on the definition of substantial limitation.

d. Complete the Section 504 Evaluation form. If the student is determined to be eligible [hereinafter, "eligible student"], the Committee moves on to the Section 504 Student Accommodation Plan [hereinafter, "Accommodation Plan"] form to develop accommodations. If no eligibility is found, the parents are so informed in writing.

At the conclusion of the Evaluation/Placement meeting, the Coordinator provides notice to the parent (Notice of Section 504 Evaluation Results form) of the 504 Committee's findings, and copies of the completed Evaluation form and the Accommodation Plan (if eligible).

**5. Records.** Section 504 records, including any evaluation data, shall be kept in a separate §504 folder under the control of the Coordinator, as part of the student's cumulative folder, or in any other location determined to be appropriate by the district or campus. Regardless of location, the District will maintain the confidentiality of §504 records as required by the Family Educational Rights and Privacy Act (FERPA). Where §504 records are kept separately from the cumulative folder, a reference to the records and their location will be placed in the cumulative folder to ensure that the campus with responsibility for the student is aware of its §504 obligations to the eligible student and that personnel and third-party contractors who have a duty to implement the plan have access to necessary records including the plan itself.

**6. Free Appropriate Public Education (FAPE).** No eligible student may be excluded by the District from receiving a public elementary or secondary education. When considering the educational placement for eligible students, the Committee will ensure that the services provided are:

a. **Appropriate.** The §504 services are designed to meet the individual needs of the eligible student as adequately as the needs of nondisabled students, and are based upon adherence to the regulatory procedures relating to educational setting, evaluation and placement, and procedural safeguards. The Committee may place an eligible student in a program that the District does not operate in order to satisfy this requirement, but in so doing, the District remains responsible for ensuring that the requirements of §504 are met.

b. **Free.** An eligible student's educational program provided under §504 is provided without cost to the parent of the eligible student, regardless of where those services are provided or by whom. Should the Committee determine that placement in a program not operated by the District is required for the eligible student to receive FAPE, the District shall ensure that adequate transportation is provided to and from the program at no greater cost than would be incurred by the eligible student or his or her parents or guardians if the student were placed in the program operated by the District. The only costs of educational services that may be assessed the eligible student are those borne by nondisabled students and their parents (such as tickets to athletic events, purchases of yearbooks, gym clothes, etc.). When the District has made available a FAPE as required by §504, and the eligible student or his or her parents or guardians choose to place the student in a private school, the District is not required to pay for the eligible student's education in the private school.

**7. Least Restrictive Environment (LRE).** The Committee shall create a placement for the eligible student that ensures the provision of educational services with persons who are not disabled to the maximum extent possible appropriate to the needs of the eligible student. The Committee will presume that the regular classroom is the appropriate placement, unless it is demonstrated that the eligible student's education in the regular classroom with the use of supplementary aids and services cannot be achieved satisfactorily. Should the Committee place an eligible student in a setting other than the regular classroom, it shall take into account the proximity of the alternative setting to the eligible student's home.

**8. NonAcademic Services & Extracurricular Activities.** The District shall ensure that the provision of nonacademic and extracurricular services and activities (such as meals, recess, counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipients, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment) are provided so that:

- a. Eligible students are afforded an equal opportunity to participate in such service and activities.
- b. Eligible students participate with nondisabled students to the maximum extent appropriate to the needs of the eligible student.

**Counseling.** Should the District provide personal, academic, or vocational counseling, guidance, or placement services to its students, those services shall be provided without discrimination on the basis of disability. The District shall ensure that disabled students are not counseled toward more restrictive career objectives than are nondisabled students with similar interests and abilities.

**Physical education and athletics.** In providing physical education courses and athletics and similar programs and activities to any of its students, the District will not discriminate on the basis of disability. Disabled students shall have equal opportunity to participate in the District's physical education courses, as well as interscholastic, club, or intramural athletics operated or sponsored by the District.

The District will offer disabled students physical education and athletic activities that are separate or different from those offered to nondisabled students only if separation or differentiation is consistent with the requirements of LRE and only if no qualified disabled student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

**Comparable Facilities.** If the District operates a facility that is identifiable as being for disabled students, the District will ensure that the facility and the services and activities provided there are comparable to the other facilities, services and activities of the District.

**9. Implementation of the Accommodation Plan.** The Coordinator (or designee) should ensure that the student's Accommodation Plan is delivered to each teacher, campus administration, and any other employee or third-party contractor who has responsibility to implement the plan. Monitoring of Accommodation Plan implementation should be accomplished through the PDAS (or other teacher appraisal process), through walkthroughs, and informal checks of the student's academic, behavioral and social progress by the Coordinator and other appropriate personnel.

**10. Re-Evaluation.** Annually (preferably at the end of each school year), the 504 Committee should meet to conduct a re-evaluation. Re-evaluation should also occur prior to any significant change of placement and whenever necessary to ensure the continued provision of FAPE. Give the parents notice of the time and place of the re-evaluation meeting, inviting the parent to attend if that is the District's policy. Written notice, while not required, is preferred, and can be accomplished utilizing the Notice of Section 504 Meeting form. If the student remains eligible, the Committee should focus on the student's changing needs due to the effects of different classroom subject matter, school demands and other factors for the school year to come. Should the Committee determine that the student is no longer eligible, the Committee should dismiss the student from 504. The parent shall be given notice of the results of the re-evaluation.

**11. Discipline.** Should the District attempt a disciplinary removal of the eligible student from his educational placement for a term of more than ten consecutive school days, the §504 Committee must first conduct an evaluation. Prior to the evaluation, the Coordinator shall give the parents notice of the time and place of the evaluation meeting, inviting the parent to attend if that is the district's policy.

Written notice, while not required, is preferred, and can be accomplished utilizing the Notice of Section 504 Meeting form. The Committee's evaluation should determine: (1) was the conduct in question caused by, or directly and substantially related to the student's disabilities?; and (2) was the conduct in question the direct result of the school's failure to implement the student's §504 plan? If a link is found, a disciplinary removal of longer than ten consecutive school days cannot occur.

Removals for less than ten days can be effected without §504 Committee approval, subject to the "pattern of exclusion" rule. A series of short removals (including teacher removals under §37.002 of the Education Code) over the course of the school year that exceeds ten total days may constitute a pattern of exclusion that triggers applicable procedural safeguards (a manifestation determination evaluation and a right to due process). The Committee will meet to conduct an evaluation prior to the tenth cumulative day of removals during a school year, to determine: (1) was the conduct in question caused by, or directly and substantially related to the student's disabilities? and (2) was the conduct in question the direct result of the school's failure to implement the student's 504 plan? Prior to the evaluation, the Coordinator shall give the parents notice of the time and place of the evaluation meeting, inviting the parent to attend if that is the district's policy. Written notice, while not required, is preferred, and can be accomplished utilizing the Notice of Section 504 Meeting form. If at the evaluation meeting a link is determined, the disciplinary removal cannot occur.

An eligible student who currently is engaging in the illegal use of drugs or in the use of alcohol may be removed from his educational placement for a drug or alcohol offense to the same extent that such disciplinary action is taken against nondisabled students. Further, no §504 Evaluation is required prior to the removal and no §504 due process hearing is available.

**12. Interaction with Special Education.** Each student referred and evaluated for special education who does not qualify and each student dismissed from special education shall be evaluated for possible 504 eligibility. If at any time the §504 Committee determines that the disabled student needs special education or related aids and services in order to receive educational benefit, a special education referral should be initiated.

With respect to students who are no longer served by special education due to parents' revocation of consent for continued special education services, the school will determine on a case-by-case basis, whether the student should be referred to Section 504 for evaluation, and provide Notice of Section 504 Rights should the student not be referred. The school should make reasonable efforts to explain to the parents the §504 process and potential protections in these situations. Should the parents refuse consent for a §504 evaluation, the school will document such refusal.

**13. Interaction with Texas Dyslexia Program.** In accordance with State Board of Education Rule and the Revised Procedures Concerning Dyslexia (Blue Book), prior to testing a student individually for Dyslexia and/or prior to placing a student in the Dyslexia Instructional Program, the District must refer and evaluate under Section 504, utilizing forms 10 and 13. Placement of a §504-eligible student into the Dyslexia Instructional Program may only be accomplished by a properly constituted §504 Committee. If at any time the §504 Committee determines that the disabled student needs special education and related services in order to receive educational benefit, a special education referral should be initiated. Should a student already be special education eligible, a dyslexia evaluation for that student must occur under the direction of the student's ARD Committee.

**14. Interaction with regular education Early Intervention efforts.** In an effort to meet the needs of struggling students as early as possible, and to reduce the misidentification of students in both Section 504 and special education, the District uses an early intervention process, referred to as **RTI**. This simple, campus-based process is designed to assist students struggling for any number of reasons (family issues, lack of motivation, poverty, etc) and in any number of ways (academically, socially, behaviorally) by providing, appropriate to the student's needs, differentiated instruction, as well as additional regular education intervention programs, services and opportunities that may vary from campus to campus. Data from these efforts is shared with the parent, and will

become part of any Section 504 or special education evaluation. These efforts are available to all students, including students with disabilities. Should regular education, together with these early intervention efforts be insufficient to meet the needs of the struggling student, and there are grounds to suspect that the student has a physical or mental impairment, the District will seek parental consent for an evaluation under Section 504 or special education, as appropriate to the student.

**15. Mitigating Measures and Development of Section 504 Plans.** Pursuant to the ADAAA, the determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures such as—medication, medical supplies, equipment, or appliances, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aids and cochlear implants or other implantable hearing devices, mobility devices, or oxygen therapy equipment and supplies; use of assistive technology; reasonable accommodations or auxiliary aids or services; or learned behavioral or adaptive neurological modifications. The ameliorative effects of the mitigating measures of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity.

Accommodation plans, however, shall not be developed unless needed, at the time, in order for the student to have his needs met as adequately as those of nondisabled students. Should need develop, the Section 504 Committee shall develop an appropriate Accommodation Plan.

**16. Procedural Protections.** The District will ensure that a system of procedural safeguards is in place with respect to actions regarding the identification, evaluation, and educational placement of disabled students. The system shall include notice, an opportunity for the parent or guardian of the disabled student to examine relevant records, an impartial hearing with opportunity for participation by the student's parent or guardian and representation by counsel, and a review procedure. The impartial hearing is governed by the District's Procedures for §504 Due Process Hearings. Parents of eligible students may also present grievances to the Section 504 Coordinator.

**17. Parent Language.** If the District determines that the dominant language of the parent is Spanish, the District will ensure effective notice in Spanish and services necessary to provide the parent an opportunity for effective participation in the §504 process. If the District determines that the dominant language of the parent is not English or Spanish, the District will make a good faith effort to accomplish notice and provide an opportunity for effective parent participation in the §504 process through other means.

**18. Duty to Not Discriminate.** The District shall ensure that no qualified disabled person shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any District program or activity.

**19. Retaliation prohibited.** No District officer, employee, or contractor shall retaliate against any person because of his or her exercise of rights under Section 504.

**20. Disability-based harassment.** The District will promptly investigate all claims of disability-based harassment and take reasonable action to stop future recurrence. Where evidence of disability-based harassment is found pursuant to an investigation, and the District believes that the harassment has adversely impacted upon the ability of a disabled student to have equal access to the District's programs or activities, or the disabled student's entitlement to a free, appropriate public education, a §504 Committee meeting will be called to consider the impact of the harassment and determine whether changes to the student's accommodation plan are required.

**21. Review Procedure.** Should the parent disagree with the identification, evaluation, or placement decision of a §504 Committee or the decision of a §504 hearing officer, the parent may appeal to state or federal court, or seek relief pursuant to a grievance to the District's §504 Coordinator.

## **Notice of Rights for Disabled Students and their Parents Under §504 of the Rehabilitation Act of 1973**

The Rehabilitation Act of 1973, commonly known in the schools as “Section 504,” is a federal law passed by the United States Congress with the purpose of prohibiting discrimination against disabled persons who may participate in, or receive benefits from, programs receiving federal financial assistance. In the public schools specifically, §504 applies to ensure that eligible disabled students are provided with educational benefits and opportunities equal to those provided to non-disabled students.

Under §504, a student is considered “disabled” if he or she suffers from a physical or mental impairment that substantially limits one or more of their major life activities, such as learning, walking, seeing, hearing, breathing, working, and performing manual tasks. Section 504 also applies to students with a record of having a substantially-limiting impairment, or who are regarded as being disabled even if they are truly not disabled. Students can be considered disabled, and can receive services under §504, even if they do not qualify for, or receive, special education services.

The purpose of this Notice is to inform parents and students of the rights granted them under §504. The federal regulations that implement §504 are found at Title 34, Part 104 of the Code of Federal Regulations (CFR) and entitle eligible student and their parents, to the following rights:

- 1.** You have a right to be informed about your rights under §504. [34 CFR 104.32] The School District must provide you with written notice of your rights under §504 (this document represents written notice of rights as required under §504). If you need further explanation or clarification of any of the rights described in this Notice, contact appropriate staff persons at the District’s §504 Office and they will assist you in understanding your rights.
- 2.** Under §504, your child has the right to an appropriate education designed to meet his or her educational needs as adequately as the needs of non-disabled students are met. [34 CFR 104.33].
- 3.** Your child has the right to free educational services, with the exception of certain costs normally also paid by the parents of non-disabled students. Insurance companies and other similar third parties are not relieved of any existing obligation to provide or pay for services to a student that becomes eligible for services under §504. [34 CFR 104.33].
- 4.** To the maximum extent appropriate, your child has the right to be educated with children who are not disabled. Your child will be placed and educated in regular classes, unless the District demonstrates that his or her educational needs cannot be adequately met in the regular classroom, even with the use of supplementary aids and services. [34 CFR 104.34].
- 5.** Your child has the right to services, facilities, and activities comparable to those provided to non-disabled students. [34 CFR 104.34].
- 6.** The School District must undertake an evaluation of your child prior to determining his or her appropriate educational placement or program of services under §504, and also before every subsequent significant change in placement. [34 CFR 104.35].
- 7.** If formal assessment instruments are used as part of an evaluation, procedures used to administer assessments and other instruments must comply with the requirements of §504 regarding test validity, proper method of administration, and appropriate test selection. [34 CFR 104.35]. The District will

appropriately consider information from a variety of sources in making its determinations, including, for example: aptitude and achievement tests, teacher recommendations, reports of physical condition, social and cultural background, adaptive behavior, health records, report cards, progress notes, parent observations, and scores on TAKS tests, and mitigating measures, among others. [34 CFR 104.35].

**8.** Placement decisions regarding your child must be made by a group of persons (a §504 committee) knowledgeable about your child, the meaning of the evaluation data, possible placement options, and the requirement that to the maximum extent appropriate, disabled children should be educated with non-disabled children. [34 CFR 104.35].

**9.** If your child is eligible for services under §504, he or she has a right to periodic evaluations to determine if there has been a change in educational need. Generally, an evaluation will take place at least every three years. [34 CFR 104.35].

**10.** You have the right to be notified by the District prior to any action regarding the identification, evaluation, or placement of your child. [34 CFR 104.36]

**11.** You have the right to examine relevant documents and records regarding your child (generally documents relating to identification, evaluation, and placement of your child under §504). [34 CFR 104.36].

**12.** You have the right to an impartial due process hearing if you wish to contest any action of the District with regard to your child's identification, evaluation, or placement under §504. [34 CFR 104.36]. You have the right to participate personally at the hearing, and to be represented by an attorney, if you wish to hire one.

**13.** If you wish to contest an action taken by the §504 Committee by means of an impartial due process hearing, you must submit a Notice of Appeal or a Request for Hearing to the District's §504 Coordinator at the address below. A date will be set for the hearing and an impartial hearing officer will be appointed. You will then be notified in writing of the hearing date, time, and place.

**Mike Sims**  
**POB 1087 Buna, Texas 77612**  
**(409) 994-4837**

**14.** If you disagree with the decision of the hearing officer, you have a right to seek a review of that decision before a court of competent jurisdiction (normally, your closest federal district court).

**15.** You also have a right to present a grievance or complaint to the District's §504 Coordinator (or designee), who will investigate the situation, take into account the nature of the complaint and all necessary factors, and respond appropriately to you within a reasonable time.

**16.** You also have a right to file a complaint with the Office for Civil Rights (OCR) of the Department of Education. The address of the OCR Regional Office that covers this school district is:

## **Aviso a Padres de Estudiantes Incapacitados de sus Derechos Legales bajo la Sección 504 del Decreto de Rehabilitación de 1973**

El Decreto de Rehabilitación de 1973, conocido generalmente como la “Sección 504,” es una ley federal legislada por el Congreso de los Estados Unidos. El propósito de esta ley es de prohibir discriminación contra estudiantes incapacitados y asegurar que tengan oportunidades y beneficios educativos tan adecuados como los de estudiantes sin incapacidades.

Bajo la Sección 504, un estudiante es considerado incapacitado si padece de un impedimento o condición física o mental que limita substancialmente una de sus actividades vitales, como la de aprender, caminar, ver, oír, hablar, respirar, trabajar y desempeñar tareas manuales. La ley también protege a estudiantes que han tenido un impedimento o condición física o mental substancial en el pasado, o que son considerados incapacitados aunque realmente no lo son. Estudiantes pueden ser considerados incapacitados bajo la Sección 504 y pueden recibir asistencia educativa bajo esa ley aunque no reciban educación especial.

El propósito de este Aviso es de explicarle los derechos legales garantizados bajo la Sección 504 a estudiantes incapacitados y a sus padres. Los reglamentos federales que dan efecto a la Sección 504 (los cuales se encuentran en el Título 34, Parte 104 del Código Federal de Reglamentos, o CFR) otorgan a los padres de familia y a estudiantes incapacitados los siguientes derechos:

- 1.** Usted tiene derecho a ser informado de sus derechos bajo la Sección 504. [34 CFR 104.32]. El distrito escolar debe darle información escrita sobre sus derechos (este Aviso precisamente sirve para informarle de sus derechos). Si necesita que le expliquen o clarifiquen cualquier de los siguientes derechos, los dirigentes apropiados del distrito escolar le ayudarán a resolver sus preguntas.
- 2.** Bajo la Sección 504, su hijo/a tiene derecho a una educación apropiada diseñada para satisfacer sus necesidades educativas individuales tan adecuadamente como las de estudiantes sin incapacidades. [34 CFR 104.33].
- 3.** Su hijo/a tiene derecho a servicios educativos gratuitos, con la excepción de gastos que normalmente se les cobran también a estudiantes sin incapacidades (o a sus padres). Compañías de seguros, y otras terceras personas similares, no son libres de sus obligaciones normales para proporcionar o pagar por servicios para un estudiante considerado incapacitado bajo la Sección 504. [34 CFR 104.33]. El recibir asistencia educativa bajo la Sección 504 no disminuye su derecho a recibir otra asistencia pública o privada de cualquier tipo.
- 4.** Su hijo/a tiene derecho a ser colocado en el ambiente educativo que permita máximo contacto y relaciones con estudiantes sin incapacidades. [34 CFR 104.34]. A menos que sus necesidades educativas no puedan ser satisfechas ahí, su hijo/a será colocado en clases regulares.
- 5.** Su hijo/a tiene derecho a equipo, clases, edificios, servicios y actividades comparables a las que son proporcionadas a estudiantes sin incapacidades. [34 CFR 104.34].
- 6.** Su hijo/a tiene derecho a una evaluación antes de determinar una colocación educativa o programa de asistencia bajo la Sección 504, y también antes de cualquier cambio importante en colocación subsecuente. [34 CFR 104.35].
- 7.** Procedimientos utilizados para administrar pruebas y otras evaluaciones educativas deben cumplir con los requisitos de la Sección 504 en cuanto a la validez de las pruebas, su forma de administración, y las áreas necesarias de evaluación. [34 CFR 104.35]. El distrito considerará apropiadamente información de diversas fuentes y orígenes, incluyendo, por ejemplo: pruebas de aptitudes y aprovechamiento,

recomendaciones de maestros, reportes de condición física, antecedentes sociales y culturales, análisis de comportamiento adaptado, reportes médicos, calificaciones, reportes de progreso, observaciones de los padres, anécdotas de maestros, calificaciones en los exámenes estatales, y medidas aliviantes, entre otras. [34 CFR 104.35].

**8.** Las decisiones de colocación educativa deben realizarse por un grupo de personas (llamado el comité 504) que conocen la situación de su hijo/a, el significado de los resultados de las evaluaciones, las opciones de colocación, y la obligación legal de asegurar el ambiente educativo que permita el máximo contacto con estudiantes no incapacitados. [34 CFR 104.35].

**9.** Si es considerado incapacitado bajo la Sección 504, su hijo/a tendrá derecho a que se le den nuevas pruebas y evaluaciones a ciertos tiempos, para determinar si sus necesidades educativas han cambiado. Generalmente evaluaciones educativas se pondrán al corriente para cada niño incapacitado por lo menos cada tres años. [34 CFR 104.35.]

**10.** Usted tiene derecho a que el distrito escolar le avise antes de tomar cualquier acción en relación a la identificación, evaluación o colocación educativa de su hijo/a. [34 CFR 104.36].

**11.** Usted tiene derecho a examinar archivos y documentos relacionados a la educación de su hijo/a (normalmente archivos y documentos con relación a la identificación, evaluación o colocación educativa de su hijo/a). [34 CFR 104.36].

**12.** Usted tiene derecho a una audiencia imparcial si no esta de acuerdo con las acciones del distrito en relación a la identificación, evaluación, o colocación educativa de su hijo/a. Usted tiene la oportunidad de participar personalmente en tal audiencia y de ser representada por un abogado, si desea contratarlo. [34 CFR 104.36].

**13.** Si desea protestar o disputar las acciones del Comité 504 del distrito a través de una audiencia imparcial, debe presentar un Aviso de Apelación escrito ante el Coordinador 504 del distrito, en la siguiente dirección. Se fijará una fecha para una audiencia ante un oficial imparcial, y serán notificados por escrito de la fecha, hora, y lugar de la audiencia.

**Mike Sims**  
**POB 1087 Buna, Texas 77612**  
**(409) 994-4837**

**14.** Si usted está en desacuerdo con la decisión final del oficial imparcial de audiencia, tiene derecho a apelar esa decisión a una corte de jurisdicción adecuada; normalmente, la corte federal local. [34 CFR 104.36].

**15.** También tiene el derecho de presentar una queja local al Coordinador de §504 del Distrito Escolar (o su dirigente), quien investigara la situación, considerara los temas de la queja y todo factor necesario, y respondera apropiadamente a usted en un plazo de tiempo razonable.

**16.** Usted también tiene el derecho a presentar una queja ante la Oficina de Derechos Civiles de el Departamento de Educación de los Estados Unidos. La dirección de la Oficina Regional a la cual pertenece a este distrito es:

**Section 504 Eligibility Determination**

As directed by Congress in the ADA, the Section 504 Committee understands that the definition of disability “shall be construed in favor of broad coverage of individuals under this Act, to the maximum extent permitted by the terms of this Act.”

<p><b>Does the student have a physical or mental impairment?</b> If so, please identify the impairment(s) in the box below. <i>Notes (1) This is an educational determination only, and not a medical diagnosis for purposes of treatment. (2) Episodic impairments and impairments in remission should also be listed here.</i></p>	<b>Question 1</b>		
	Yes	<input type="checkbox"/>	No

If you answered “yes” to Question 1, identify the impairment(s) here.

<p><b>Does the physical or mental impairment affect one or more major life activities (including major bodily functions)?</b> If so, identify the major life activity or major bodily function by checking the appropriate box or boxes. <i>Note: For an impairment in remission, identify the activity or function affected when the disability was present.</i></p>	<b>Question 2</b>

Major Life Activities include, but are not limited to:		Major Bodily Functions include but are not limited to:

<p><b>Does the physical or mental impairment <u>substantially limit</u> a major life activity?</b> <i>Notes: (1) “Substantially limits” does not mean “significantly restricted.” (2) The ADA requires that when making this determination, the Committee should not consider the ameliorative effects of mitigating measures (except for ordinary eyeglasses or contact lenses). (3) The fact that the impairment is episodic (the impact of the impairment is sometimes substantially limiting, but not always), or in remission, does not preclude eligibility if the impairment would substantially limit a major life activity when active.</i></p>	<b>Question 3</b>		
	Yes	<input type="checkbox"/>	No

<p><b>Does the student need Section 504 accommodations in order for his/her educational needs to be met as adequately as those of non-disabled peers?</b> <i>Notes: (1) If the student’s needs are so extreme as to require special education and related services, a referral to special education should be considered. (2) If the student’s impairment is in remission, or the student’s needs are currently met by mitigating measures, the student is not in need of a Section 504 Accommodation Plan and is not eligible for FAPE.</i></p>	<b>Question 4</b>		
	Yes	<input type="checkbox"/>	No

**Analyzing the Results of the Committee's Answers**

1. If all four questions are answered "YES", the student is eligible for both the nondiscrimination and FAPE (Section 504 Accommodation Plan) protections of Section 504. The Section 504 Committee will create a Section 504 Accommodation plan for this student.
2. If only the first three questions are answered "YES", the student is eligible for the nondiscrimination protections of Section 504, but the Section 504 Committee will not create a Section 504 Accommodation Plan at this time as the student's needs are being met as adequately as his nondisabled peers. Should need develop, the Section 504 Committee shall develop an appropriate Section 504 Accommodation Plan.
3. If any of the first three answers is "NO", the student is not eligible for Section 504 nondiscrimination protection and is not eligible for a Section 504 Accommodation plan.

**Section 504 Committee's Decision**

The Section 504 Committee's analysis of the eligibility criteria as applied to the evaluation data indicates that at this time:

	The student is not eligible under Section 504.
	The student is eligible under Section 504, and will receive a Section 504 Accommodation Plan that governs the provision of a free appropriate public education to the student, together with the nondiscrimination protections of Section 504.
	The student is eligible for the nondiscrimination protections of Section 504, but will not require a Section 504 Accommodation Plan because the physical or mental impairment is in remission, and there is no current need for services. Should need develop, the Section 504 Committee shall develop an appropriate Section 504 Accommodation Plan.
	The student is eligible for the nondiscrimination protections of Section 504, but will not require a Section 504 Accommodation Plan because the student's needs are met as adequately as his nondisabled peers due to the positive effect of mitigating measures currently in use. Should need develop, the Section 504 Committee shall develop an appropriate Section 504 Accommodation Plan.
	The student remains eligible under Section 504, and will receive an updated Section 504 Accommodation Plan that governs the provision of a free appropriate public education to the student, together with nondiscrimination protection. (Annual and re-evaluations)
	The student is no longer eligible for Section 504 and is exited from the program. The student will now receive regular education without Section 504 services. (Dismissal)
	The student has been determined special education eligible by an ARD Committee/IEP Team. Consequently, the student is no longer served through a Section 504 Committee and is exited from the program. The student will receive a free appropriate education through the ARD Committee/IEP Team.
	As part of the §504 evaluation, the Committee considered your student's eligibility for the Texas Dyslexia Program. The student ___ is ___ is not eligible for services in the Dyslexia Program.
	Other (please describe)

## Texas Dyslexia Program Evaluation Supplement

Student:	Student ID #:

**§504 Committee Membership:** The Blue Book requires a properly constituted §504 Committee in addition to members with knowledge of various aspects of dyslexia assessment and services. Use this chart to document proper attendance for Blue Book purposes. *Each type of knowledge must be present for the Committee to be properly constituted under Texas law for Dyslexia purposes.* In addition, document the proper federal membership using the chart on Form 10.

Name of Committee Member	Position/Title	Knowledge of . . . .
		The reading process
		Dyslexia and related disorders
		Dyslexia instruction
		District or charter school, state & federal guidelines for assessment

		District or charter school, state & federal guidelines for assessment

**Evaluation Data.** The evaluation data reviewed by the §504 Committee to make the Dyslexia Program eligibility decision included data from the following areas (mark with a check to document that each area of required data was reviewed.)

	Observations of the teacher, district or charter school staff, and/or parent
	Data gathered from the classroom (including student work and results of classroom measures) and information found in the student’s cumulative folder (including the developmental and academic history of the student).
	The results of administered assessments (including both formal and informal measures), appropriate for the student’s level of reading development, including: reading real words in isolation; decoding nonsense words; phonological awareness; letter knowledge (name and associated sound); rapid naming; fluency/rate and accuracy; reading comprehension; and written spelling.
	Data-based documentation of student progress during instruction and intervention
	LPAC documentation (where applicable)
	All other accumulated data regarding the development of the student’s learning and the student’s educational needs.

**Dyslexia Program Eligibility.** In making the determination of dyslexia program eligibility, and in addition to the factors to be considered to determine §504 eligibility (Form 10), the Committee considered the factors required by the Dyslexia Blue Book and as fully described therein. Check each area of consideration with “Agree” or “Disagree” as determined by the §504 Committee.

Agree	Disagree	Dyslexia Program Eligibility Factors
		The student has received conventional (appropriate) reading instruction;

		The student has experienced an unexpected lack of appropriate progress in the areas of reading and written spelling;
		The student has adequate intelligence (an average ability to learn in the absence of print or in other academic areas);
		The student exhibits characteristics associated with dyslexia; AND
		The student's lack of progress was not due to sociocultural factors such as language differences, irregular attendance and lack of experiential background.

**Results of Dyslexia Evaluation.** If the Committee marked "Agree" in response to each of the preceding five statements, the student is eligible for the Texas Dyslexia program. If the Committee answered any of the previous five statements with "Disagree," the student is not eligible for the dyslexia program based on Blue Book criteria, and can only be placed there by a Section 504 Committee or ARD Committee as required to provide the student with a free appropriate public education (FAPE).

Based on the evaluation data reviewed, and the answers to the required statements, the Committee has determined that (check one):

<input type="checkbox"/>	The student is eligible for the Texas Dyslexia Program.	<input type="checkbox"/>	The student is NOT eligible for the Texas Dyslexia Program.
--------------------------	---	--------------------------	---

**Eligibility for the Texas Dyslexia Program does not necessarily create eligibility under Section 504.** Eligibility under Section 504 is determined based on federal eligibility requirements and analysis addressed in Form 10. That analysis will likely focus, at least in part, on the impact of the student's dyslexia on the major life activity of "reading" (as opposed to the broader major life activity of "learning").

**Special Instructions for implementing the decision:**

1. For students eligible for both the Dyslexia Program and Section 504: The Committee should develop appropriate accommodations using Form 11. The Dyslexia Bundle may be provided to this student if the student meets the requirements provided in the current TAKS Coordinator's Manual. Use of the Bundle should be documented on the §504 Accommodation Plan in the space provided.
2. For students determined eligible for Section 504, but not for the Dyslexia Program: The Committee should consider appropriate accommodations utilizing Form 11.
3. For students eligible for the Dyslexia Program but not eligible for Section 504: The Committee should consider appropriate accommodations including placement in the dyslexia program. These accommodations and services should be documented on the appropriate local form. *Do not use Form 11 for a student who is not §504-eligible.* The Dyslexia Bundle may be provided to this student if the student meets the requirements provided in the current TAKS Coordinator's Manual. Use of the Bundle should be documented on the appropriate local form, pursuant to the District's policies and procedures.

**GEH Committee Membership.** While §504 eligibility is determined by a group of knowledgeable persons, including persons with knowledge of the child, the meaning of the evaluation data, and the placement options, General Education Homebound placement requires the attendance of three specific people: (1) a campus administrator; (2) a teacher of the student; and (3) the parent or guardian of the student. The required groups can and should overlap to satisfy requirements under both §504 and GEH. Check the boxes to indicate compliance with attendance requirements.

**Results:** Where both questions are answered with "Yes," the student is eligible for General Education Homebound, and the Committee shall determine the type(s) and amount of instruction to be provided. If the student is also Section 504 eligible, the committee should also consider whether accommodations are appropriate in addition to the homebound services on page 2 of this form. If either question is answered "No," the student is not eligible for GEH services, but may be Section 504 eligible resulting in the need for the creation of a 504 Accommodation.
